Dear Parents and Carers,

Re: Face masks

We have had a couple of queries regarding face masks from the letter sent yesterday. To clarify, masks can be removed to say goodbye to children as they enter the building. We would request that this is away from the door where possible and that social distancing is respected as much as possible. Masks should then be put back on to leave the site or to talk to other adults and staff.

Door numbers will be clearly marked and there will be staff on hand to direct parents if necessary.

Please look on Dojo later this afternoon as there will be a video posted showing the classrooms and school site, which children can watch to see what has changed and what remains the same.

We are looking forward to seeing you all back on Monday, have a great weekend.

Regards,

Antony Kern
