Governor Elections

There is a vacancy for parent governor on the governing body. We have received three nominations and therefore an election is required. You may vote for one candidate only. You may vote only once. Please check the box next to your preferred candidate.

Thank you for your support.

Voting will close at 4.00p.m. on Thursday 24th March 2022.

Mrs Lauren Sewell

We have lived in Burwell for six years now and my eldest daughter attends BVC where so far she has thrived. I am happy to nominate myself for the role of parent governor as I am excited for the opportunity to support the school to move forward and improve in the next few years in any way I can. I currently work in vocational healthcare education and quality assure learners, assessors and verifiers therefore I feel I be able to bring some of my current skills to the role. We have been trying to give something back to the village where we can so I feel this role would help in giving something back to the school that will be educating our children.

Thank you for your consideration.

Mrs. Amanda Staples

I have 3 children in the school and 2 step children. I have an interest in the education and wellbeing of children and am qualified in Early Years and Education as well as Health and Social care and counselling. I have trained and worked in mental health, child protection and safeguarding. I was heavily involved in my children's previous school as chairperson of the PTA and a regular volunteer / helper. I currently work as a Housing Advisor for a charity in Cambridge for the homeless and vulnerably housed and so am well versed in the benefits system and Universal Credit. I am also currently a volunteer on the local football committee with FA welfare officer training. I have been involved in various roles in the past that pose transferable skills such as volunteering as a teacher of English in Romania, working as a home supervisor in an emergency home for children in Australia and as a welfare worker.

Mrs Sarah Tennant-Barton

I have lived in Burwell for 5 years. My son joined BVCPS in Year 2 and is now at BVC (Bottisham Village College). My 2 step children attend BVCPS and are in Year 4 and Year 6. BVCPS is a lovely school and I'd love to be on the board of governors to be more involved. I have over 15 years' experience in youth work, and I was part of founding and developing BAFY (Burwell Action for Youth).
