

Below is the Get Information About Schools (GIAS) information that we store in GovernorHub. You should be this into the spreadsheet you download from GIAS. Note that GovernorHub doesn't have all the fields that GIAS may need to fill some of these in by hand.

NB: If someone has more than one previous name, it will appear in a new row below.

Please make your governors / trustees aware that you will be sharing this information with DfE, and also explain the reason why the information is being collected and the purpose to which it will be used.
