## **Bikeability**

Bikeability is the government's national cycle training programme. The scheme aims to inspire more children to cycle by equipping them with the skills and confidence to ride more.

All the training is delivered by Outspoken Training's gualified and DBS checked Instructors.

#### **Bikeability Level 1 & 2 Course**

This course is suitable for riders who have mastered control of their cycle and are ready to learn how to ride independently on local roads.

Level 1: Through fun, progressive games, pupils must demonstrate the following to progress onto on-road training:

- Pedal independently without stabilisers • (this is not a learn to ride course)
- Apply brakes to bring the cycle to a smooth and guick stop
- Look behind over each shoulder while pedaling in a straight line
- Pedal one handed in a straight line (signal)
- Use gears (if present)
- Avoid hazards

Level 2: Riders will be taken onto residential roads to experience 'real' road cycling covering:

- Starting and stopping journeys
- Passing stationary vehicles
