Spaces in the clubs are limited so will be allocated on a first come first served basis. If you are unable to book a place then this indicates that the **club is full and the quota has been reached**.

You will be contacted the week commencing Monday 15th December 2025 if your child has a place. In this case, they should stay in school at the end of the school day when their club is taking place (3.20 p.m.) and be collected from their normal classroom, home time door at the finish time. Table Tennis and Coding will exit from the front office.
