

Homework questionnaire

This questionnaire is in three parts. Part 1 is about the purpose of homework so that we can address any concerns within the policy. Part 2 is about how homework is set and how accessible it is and part 3 is about the specific homework activities and how they support your child.

Part 1				
These statements are taken from the current school policy. To what extent do you agree with them?				
Homework informs parents about what children are currently learning and what they need to practise.				
strongly agree	agree	disagree	strongly disagree	
Homework takes advantage of the home environment and resources, and the chance for some one-to-one adult time.				
strongly agree	agree	disagree	strongly disagree	
Homework is a great opportunity to rehearse and consolidate the key English and maths skills that underpin the children's in-school learning and progress.				
strongly agree	agree	disagree	strongly disagree	
Homework helps to foster good habits of self-organisation, independence and self-discipline.				
strongly agree	agree	disagree	strongly disagree	
Homework prepares Year 6 children for their transition to secondary school.				
strongly agree	agree	disagree	strongly disagree	don't know
