

Friday 7th March 2025

KS1 Design and Technology Showcase Tuesday 18th March 2025

Dear parents and carers,

To celebrate your child's learning in DT, we would like to invite you into school for our Beach Bites Bash on Tuesday 18th March 2025 from 2.30 p.m. to 3.00 p.m. Your children have been working hard to design and create snacks suitable to take to the seaside. The children were asked to include the following design criteria:

- a sweet snack,
- a savoury snack,
- a snack that incorporates each food group from the eat well plate.

As a class, we have decided to create the following: a sweet fruit kebab, a savoury kebab, mini sandwiches and a variety of cookies. If you are able to visit, please let the school office know by Friday 14th March 2025 to confirm your availability.

If your child is currently in my DT lessons, they will be coming home with an invitation for our showcase.

Kind regards,

Mrs Maryann Mazuran
