Burwell Library Visit

Dear Parents and Carers,

Over the next two weeks, your child's class will be visiting Burwell Library for a familiarisation session. During this session, your child will have a tour of the library, explore the fiction and non-fiction books, find out how to scan books out of the library and have a story read to them.

We are fortunate to have a public library on our doorstep and want to use this resource to help increase our children's enthusiasm for reading. The library is the perfect place for children to get hooked on reading and see the huge amount of exciting and interesting books available.

If your child is not a member of the Burwell library, please pop into the library and speak to one of the librarians to sign your child up. They are open afterschool on Monday, Tuesday, Thursday and Friday and open on Saturday mornings. If your child is already a member, they do not need to bring their library card for this visit.

We are excited to be able to continue and share our love of reading as a school and provide the children with this opportunity.

Regards,

L. Mayes
