Dear Parents and Carers

We have been asked by the Local Authority to support another school in the County whilst they undergo some significant changes during the summer term. This is a real recognition of how far the school has come in the last five years and demonstrates the local authority's confidence that we are a very good school.

Initially, the support will mean that I will not be on site here for a couple of days per week. These days will change primarily based on the need here but also the need at the other school. Later in the term, it may also mean that other members of staff are supporting the school and therefore not in attendance here.

Whilst I am not in school, either Miss Mansfield or Mr. Mayes will be acting as Headteacher. They have the same authority over decision making as I do and hold the same responsibilities. Should any concerns arise the office will know who to direct you to.

We have worked really hard over the last five years to transform the reputation of the school with the Local Authority, the local community and most importantly with parents. We recognise that there is always more to do and things we can do better but this is a real recognition of the quality of staff and governors that we have at Burwell. It is also a reflection of the support that parents and carers provide.

If you have any questions or queries please make an appointment to see either myself, Miss Mansfield or Mr. Mayes through the office.

Regards,

Antony Kern
Headteacher
