

Lunchtime Co Parent Taster Session

On Tuesday this week our catering team Lunchtime Co. showcased to parents a selection of food that is on offer to pupils in school. The uptake for parents and pupils sampling the food was high.

The menu has been updated for the summer term and we would like to encourage pupils to try school meals if they currently have packed lunches in school. Attached is a flyer from Lunchtime Co with some information regarding their manifesto and ethos.

We would like to thank the kitchen team and Sue West from Lunchtime Co. for their preparation and time for this presentation.
