

Open Evening Thursday 24 September 2026 6 - 8pm

Soham Village College offers an outstanding education to all students. Strong examination results, high quality pastoral support, and extensive curricular and extra-curricular opportunities ensure that every student can achieve their full potential.

To learn about our school, we warmly invite all prospective students and their parents and carers to our Open Evening. The evening will include opportunities to meet students and staff, to attend a talk by the Principal and to see our fantastic facilities.

For further information, and details of how to book your place at the Open Evening, please visit:

www.sohamvc.org/open-evening-2026

Open Mornings will also be available by prior arrangement in early October.
Please visit the website above for further details of how to book your place.
