

24th April 2025

Dear Parents/Carers,

Manchester Marathon April 2025

I am writing to share some exciting news and to ask for your support. This year, I've decided to run the Manchester Marathon, which is taking place on Sunday 27th April 2025.

Running the Manchester Marathon is not only a personal goal for me but also an opportunity to raise funds for a charity and a much needed cause. That is why I am reaching out to you today.

I would be incredibly grateful if you could consider making a donation to support my marathon run. Your contribution, no matter how big or small, will go directly towards Cancer Research.

If you are able to donate, please visit:

https://www.justgiving.com/page/rhiannon-beal-8?utm_medium=FR&utm_source=CL&utm_campaign=015

I am not able to take cash donations in person so donating via the link above is the only possible method.

Thank you for taking the time to read this. Every donation counts and your generosity will make a real difference.

If you wish to ask me any questions – or provide any last minute pieces of advice – please speak to me at the door before school.

Kindest regards,

Miss Beal
Class Teacher
