Dear Parents and Carers,

I am writing to update you with some staffing changes from January.

Mrs. Egan has been successful in securing a new role in a local school. She has been an incredible member of staff, totally committed to the school and her pupils. She will be very missed and her new children and school will be very fortunate to have her. We wish her every success at her new school.

As many of you know, Mrs. Jones has taken up a new position at Soham Village College. We would like to thank her for her contribution to the school.

Unfortunately, we were looking forward to Miss Djemai joining us after Christmas but there have been some complications with her current employment and she is therefore not able to start. However, we have managed to secure Mr. Quigley who has been with us as a supply teacher in the past. He was looking for the right school and was really pleased to apply and accept a job with us on a permanent basis. He will take over from Miss Williamson after Christmas.

We are really fortunate that the school is in a strong position and therefore we often attract and retain staff. Most of our staff have been in post for between 3-5 years which is a good amount of time in a school, particularly as a class teacher. This has been made possible by the dedication of the staff over the last few years and the support we receive from parents and our wider school community. Thank you and we look forward to the new term with you.

Regards,

Antony Kern
