6th September 2024

Dear Parents and Carers,

Thank you for such a great start to the school year. Your children have come back to school enthusiastic, well-behaved and eager to learn. Everyone seems to have settled into their new classes well and have impressed their teachers with the amount they can do and remember from previous years. We are clearly in a really good place as a school.

During the last academic year we reviewed with you the homework policy for the school. Homework will start from today. The homework policy is attached. Teachers will set homework on a Friday and it will need to be returned on the following Thursday. The homework is a mixture of online and offline work. Following the feedback we are focusing very much on reading regularly and basic maths skills.

After school clubs will begin next week, both teacher led (enrichment, Tuesdays) and external providers (premier sport, PWL). iRock will begin on Friday 13th September 2024.

As always, if you have any concerns or questions please speak to the class teacher in the first instance.

Regards,

Antony Kern
Headteacher
