Year 2 First Aid Workshop – Thursday 5th June

Dear parents and carers,

On Thursday 5th June, Mini First Aid are coming to meet the children and provide a fun, interactive workshop that aims to help young children understand what is happening to their bodies if they are hurt.

During the workshop, the children will hear a story about a brave but accident-prone, little boy. The title of the book is 'The Mini Adventures of Freddie'.

The workshop also teaches the children what they might need to do in an emergency. As part of this, we are encouraging the children to learn the first line of their address in case they ever have to call for help. If you can help practice this with your child before the session, that would be great.

Regards,

K. Mansfield
