Headteacher: Mr Antony Kern

16th January 2024

Dear Parents and Carers,

Year 4 Enrichment Day

This term, our Science focus is Electricity and Sound. We are going to have an exciting enrichment science day on Monday 26th February 2024. We are asking that children come in with a plain white/light T-shirt that you are happy for it to be written on.

Additionally, we have arranged for two workshops to be provided by Fizz Pop Science Company. These will host a 'Hair Raising Electrons' workshop and a 'How sound travels' workshop in school, during the day. The cost of this event is £10.00.

The Education Act 1996 requires us to ask you to contribute voluntarily for the cost of this visit. Any family in receipt of free school meals, or where circumstances make full payment difficult, should contact Mr Kern, in confidence, as it may be possible to seek assistance from charitable funds. Any such assistance is provided anonymously.

Please log onto your child's Scopay account and tick the permission box by Wednesday 14th February 2024.

We are really looking forward to our enrichment day!

Any questions, please ask.

Kind regards

N Egan, E Hudson

Mrs Egan and Mrs Hudson
