Class Teacher post
M1-M6 full time
To start as soon as possible

At Burwell Village College we value teachers.

In order to demonstrate this we have:

- Weekly CPD sessions during teaching time
- Joint planning, preparation and assessment time
- An experienced team of knowledgeable staff to support, guide and work alongside
- Excellent behaviour and support from a strong SLT if concerns arise
- A unique curriculum that teachers are able to practice and refine
- No formal after school meetings
- Parent consultations during school time
- Supportive parents
- A supportive and experienced governing body
- Dedicated subject leader time
- Support and time given to write plans for SEND pupils
- Time to develop subject knowledge across the primary curriculum not just English and maths
- Opportunities to develop coaching, mentoring and leadership skills in a supportive environment

We are looking for teachers who are outstanding practitioners or have the potential to be. We need staff who are inspiring and motivating for pupils, able to think about learning and deliver it in an interesting and engaging way and we will give you time and support to fulfil this.

The children here are well-behaved, hard-working and eager to learn. The facilities are fantastic with space and equipment readily available. Parents are keen to support the school.

This is a brilliant opportunity to make a real difference to the lives of four hundred children. If you really want to have a measurable impact on children's life chances, Burwell could be the school for you.

If you would like to know more about the school, please contact the school office and ask to speak to the Headteacher. We can arrange Zoom, Teams, Google meet or FaceTime conversations, as well as traditional phone calls. Visits to the school are highly recommended. There is also a wealth of information available on the school website.
