

CHRISTMAS

I love Christmas,
It's so exciting,
With the fire crackling,
and the stars brightening.

With everyone playing,
out in the snow,
and Santa delighting,
while children say "no!"

To parents shouting "Go to bed!"
Past flies Saint Nick,
Giving naughty children,
pieces of lead!

I wake up in the morning,
and hear my father snoring!
Then I run to my stocking
and reach my hand in,
to feel all the presents,
to share with my kin!
