

Faster, Faster

Faster!

Steady on the brake.

Come on, you can do it.

O.Kay - overtake.

The Steering Won't Steer and we've  
Nobbled the gears. There's gum in the brakes,  
So he can't overtake. We've squashed the wheels  
Square, he can't go anywhere. When the engine goes  
Boom, there'll be no more Vroom!
