

Oh Forest

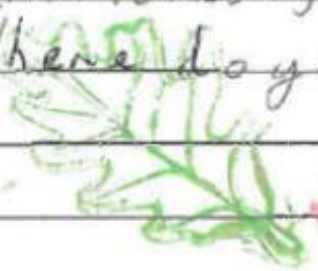

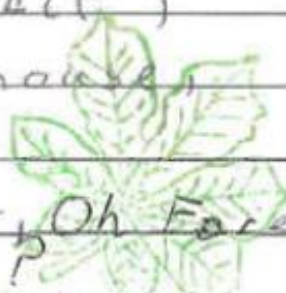

Oh Forest, Oh Forest, Oh Forest,
you change every day,
from colour to colour to colour,
colours bright and gay,

Oh Forest, Oh Forest, Oh Forest,
Do you know who you house?
a deer, an owl, a rabbit,
and even a little mouse,

Oh Forest, Oh Forest, Oh Forest,
How did you grow,
And Forest, And Forest, And Forest,
Where do your seeds go?
