

Word	Definition
war	a time when groups or countries fight against each other
invade	to go into a place when you are not wanted - to take over
evacuate	to move people away from a place to keep them safe

World War Two

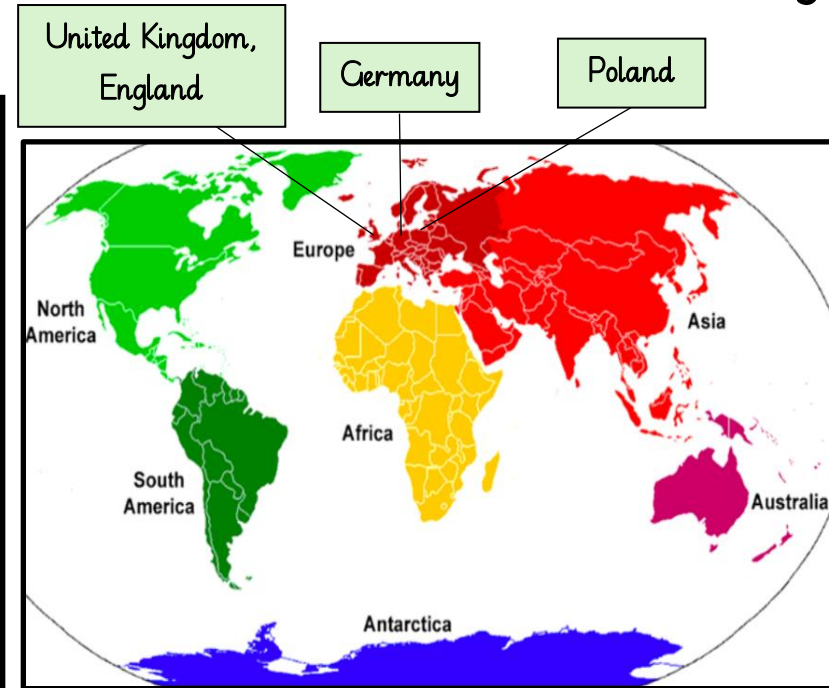

War began when Germany **invaded** Poland

The United Kingdom and its friends wanted to stop Germany from taking over other countries.

On Remembrance Day, we think about the people in the war.

Winston Churchill

Prime Minister: the person who is in charge of running the country and making important decisions

He helped to end the war.

Victory in Europe Day (VE Day)

Tuesday 8th May, 1945

VE day marks the end of World War Two in Europe.

There were many celebrations and street parties.

People gathered outside Buckingham Palace in London.

London is the capital city of England.

Human Landmarks

St Paul's Cathedral

London Eye

Big Ben

Physical Features

Word	Definition
physical features	something that is natural - it would be here even if there were no people around
human features	something that has been built by people - it would not exist without us
landmarks	physical features or human structures around the world that are easily recognised or unique

An **aerial photograph** is a real picture of the land or feature.

It is taken from above.
