

settlement	A settlement is a place where people live.
village	A village is a small settlement in the countryside where people live. It might have a shop, a school, and a church.
town	A town is bigger than a village and has more people living in it. It usually has lots of shops and places like schools, sports centres, places of worship, and a town hall.
city	A city is bigger than a town and has more people living close together. It has many shops, schools, places to have fun, bus or train stations and often a cathedral.
memorial	A memorial is something built or made to remember people or events from the past

An aerial photograph is a real picture of the land or feature taken from above.

A compass is a tool that shows direction.

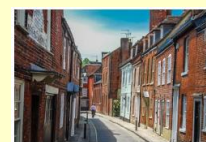

Remember:
Naughty elephants
squirt water.

Human Features

A human feature is something that has been built by people. It would not exist without us.

houses

beach

river

Physical Features

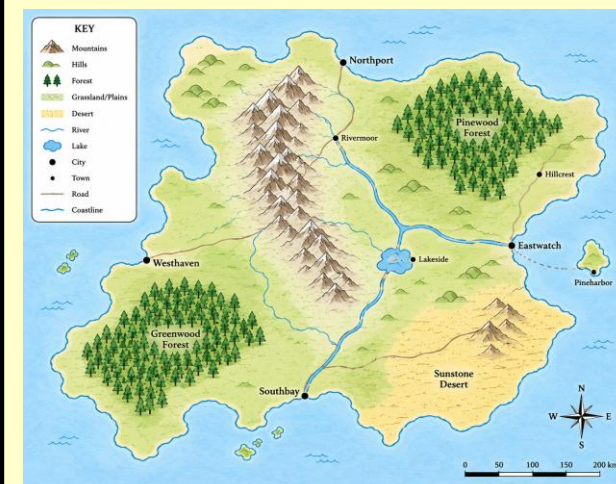

A physical feature is something that is natural. It would be here even if there were no people around.

Burwell and Beyond

Our school is in a **village** called Burwell.
The closest **town** to Burwell is Newmarket.
The closest **city** to Burwell is Cambridge.

Physical Map

A physical map shows physical features such as major rivers, lakes, the shape of the land, deserts and landforms such as volcanoes.

Burwell Barn Fire

Burwell barn fire was nearly 300 years ago. We remember it because it had a negative impact on lots of people's lives.

The Great Fire of London

Over 350 years ago, in 1666, the Great Fire of London happened. It is a very important event in British history. Samuel Pepys wrote a diary that tells us what happened at the time.
